We are ALWAYS looking for people with ideas and passion! Opportunities exist for adults and students to participate in a vibrant theatrical arts organization! NO experience required! Not an actor? That's okay! We welcome talents off stage as well as on! We would LOVE to have you aboard. Email or call any time!

We are creating a team to look at developing and expanding our membership and patrons programs! We are seeking individuals who would like to volunteer for a short term engagement, to help us develop and refine these exciting opportunities while expanding resources in support of the arts in our community. If you are a current member, a patron or an interested person, we would love to get you involved on a committee that will look carefully at these programs, so we can enhance them and grow!

Here is your chance to be on the front end of a development team that can help form the future for our community! Won't you give it some thought? We are looking for your ideas and input as we review and update these important programs!

If you are interested, please send a note to tech@thehaylofters.com and we will circle back with you as we get this committee started. We anticipate getting this team engaged in the coming month. THANK YOU in advance for your consideration!

Thank you for your Patronage of the Arts in our Community!
