CELEBRATING 90 YEARS!

Support the Haylofters by donating \$90 during our 90th year!

Help us light up the Malthouse Theater! Your donations will go toward updating our light booth and brightening our lobby area!!

We are in the middle of a year long fund drive to update our light and sound control room AND brighten our lobby area! We need your assistance with expenses. Theater is increasingly becoming more technical, from sound effects to electronic scenery/backdrops, the need for more light instruments to provide deeper colors on stage and the need to mic casts costs money. The need to upgrade and expand our technologies is becoming increasingly important. Additionally, many of you have spent time in our ticket lobby and concession area. We are trying to improve lighting in this important area as well.

By donating \$90 for 90 years of quality community theater, we will be able to continue to evolve and bring you more exciting theater for years to come!

Donations can be made through our online portal at: www.thehaylofters.ludus/donate.php. As always, THANK YOU for your support!

39 Steps Show Canceled

We are very disappointed to have to cancel 39 steps from our show schedule in September this year. This was a very difficult decision. We, like most community theaters in Southern Wisconsin, have been challenged with a shortage of available acting talent due in large part to lingering effects related to covid. We are searching for a suitable replacement and will keep you posted. Thank you for your understanding.

We are currently laying out our 2023 schedule and we will keep you informed about the coming years schedule! Watch here and in social media for more!
